

ST. IGNATIUS CATHOLIC CHURCH

April - May 2023

BI-MONTHLY ENGLISH BULLETIN

Self-Introduction of Our New Pastor

Fr. Toshiaki Koso, S.J.
高祖 敏明, S.J.

Dear Friends of St. Ignatius Church
Happy Feast Day of the Resurrection of
our Lord!

*"He has risen from the dead, and he is
going before you to Galilee; there you will
see him." (Matthew 28:7b)*

My name is Toshiaki Koso, and I have
been recently appointed to succeed Fr.
Saturnino Ochoa as Pastor. I was born
in 1947 on the island of Nomi (now the
city of Etajima) in the Seto Inland Sea in
Hiroshima Prefecture. In the spring of
March 1967, I entered the Jesuit Novitiate
in Nagatsuka, a suburb of Hiroshima City,
and on March 19, 1977, at the age of
30, I was ordained a priest at the former
St. Ignatius Church (Tokyo) by Cardinal

Seiichi Shirayanagi.

My family is of Akimonto(安芸門徒)
descent, but I first came into contact with
Catholicism when I entered Hiroshima
Gakuin Junior and Senior High School. The
elementary school I attended for six years
was just across the Memorial Cathedral
for World Peace. The bell ringing from
the church at noon for the Angelus was a
signal for me that lunch time had arrived.

On June 18, 1961, when I was in my
third year of junior high school, I was
baptized together with seven other
students in Hiroshima Gakuin by the
Spanish missionary Luis P. Ledesma.
When I told Fr. Ledesma that I would
choose Ignatius as my baptismal saint,
he was overjoyed for some reason. I told
him that I meant to say "St. Ignatius of
Antioch" (the Feast Day at that time was
February 1), but he took it as "St. Ignatius
of Loyola."

So I looked again to find out who
"Ignatius" was and what he had done in
his lifetime to make Fr. Ledesma so happy.
This was my encounter with none other
than the founder of the Jesuits himself.
The baptismal name was also transferred
through this connection, and I wondered
if St. Ignatius of Loyola has drawn me to
him this time as well.

At the end of March this year, I retired
as President of the University of the
Sacred Heart, Tokyo. Prior to that, I served
at Sophia University for nearly 40 years as
a faculty member in the Department of
Education. During that time, in April 1999,
I took over the position of Chancellor of
Sophia School Corporation from Fr. Joji

Yamamoto and served until March 2018.

One of the most unforgettable
memories was in 2013, when Sophia
University celebrated the 100th
Anniversary of its Foundation and we
held the commemorative Mass in the
main chapel of St. Ignatius Church on
November 1 (Feast of all Saints). The main
celebrant was Cardinal Raffaele Farina,
Special Representative of Pope Francis,
who had come from Rome. St. Ignatius
Church was full for the Commemoration
Mass.

Although I am not as experienced as Fr.
Hermann Heuvers, Fr. Joji Yamamoto, Fr.
Luis Cangas, and other priests of the past,
I will do my very best as your new Pastor
and would appreciate your support and
cooperation.

At this time we are also transitioning to
a super-smart society (Society 5.0) which
is difficult to predict. Pandemics, warfare,
major earthquakes, climate change, and
other global environmental issues are
prompting us to change the way we have
lived and the structure of society. Let us
pray together and strive together to make
St. Ignatius Church a "Galilee" where we
can meet "the Risen One from the dead"
and awaken to a new way of life and live
in the fellowship of new life.

Fr. Toshiaki Koso, S.J.
Pastor, St. Ignatius Church

that last month was the 10th Anniversary of Pope Francis' Pontificate? Yes, for the past 10 years he has been shepherding the Catholic Church, the largest religious denomination in the world, with more than 13.5 billion members!

And how would the Pope summarize his experience? "The first word that comes to me is that it seems like yesterday... Time flies... it's in a hurry. When you want to grasp 'today,' it's already 'yesterday.' To live like this is something 'new.' These ten years have been like this: living in tension."

As bishop that "came from the ends of the earth," he did not expect to become the Pope who would lead the Universal Church in these precarious times, a world on the verge of "World War III." When asked what he wanted as a gift for this important anniversary, he said "Peace! We need peace!"

Let us pray for Pope Francis. He is 86 and frail. Yet he continues with passion and courage to shepherd the flock at a time of intense ecclesial challenge!

that the Jesuits in Japan have a new Provincial? According to the Jesuit Conference of Asia Pacific website (<https://jcapsj.org/blog/2023/03/27/new-provincial-of-japan/>), General Arturo Sosa, SJ, has appointed Fr Tsutomu Sakuma, SJ, as the new Provincial. He will succeed Fr Renzo De Luca, SJ, who has been Provincial since 2017.

Fr Sakuma brings with him a wealth of knowledge and experience after serving in various roles in the Society of Jesus for over four decades. As the Provincial, he will be responsible for the Jesuits' mission and apostolic work in Japan.

We thank Fr. De Luca for collaborating in many ways with St. Ignatius Church, and especially with the John de Britto English Center. In spite of his busy schedule, he celebrated Masses, gave retreats, and wrote articles for the English Bulletin. "Taihen osewa ni narimashita!"

that St. Ignatius Church is sending 12 delegates to the World Youth Day, in Lisbon Portugal August 1~6 this year? The Theme is: "Mary arose and went with haste" (Lk 1:39). Our participants come from various countries, reflecting the nature of our Parish. While most representatives are Japanese, there is also a Vietnamese, an Indonesian, a Filipino-Japanese and an African. We are especially happy that two come from the English community – Masato Uruno from the SIIYM (St. Ignatius International Youth Ministry) and Valerie Aurelia from John de Britto English Center. Let us support them with our prayers and needs as they prepare for the event.

POPE FRANCIS' TOP QUOTES ON EASTER

1. Easter is the feast of hope

"Dear sister, dear brother, even if in your heart you have buried hope, do not give up: God is greater. Darkness and death do not have the last word. Be strong, for with God nothing is lost!" (Homily, April 2020)

2. Easter celebrates the glory of love not of applause and audiences

"At Easter, God finally reveals his glory. He takes away the last veil and astonishes us as never before. We discover, in fact, that God's glory is all love: pure love, mad and unthinkable, beyond every limit and measure... True glory is the glory of love, because it is the only one that gives life to the world. Certainly, this glory is the opposite of worldly glory, which comes when one is admired, praised, or acclaimed. The glory of God, on the other hand, is paradoxical: no applause, no audience. At the center there is not the ego, but the other. (Angelus, April 2019)

3. Easter is the feast of tombstones rolled away

"Why do you think that everything is hopeless, that no one can take away your tombstones? Why do you give in to resignation and failure? Easter is the feast of tombstones taken away--rocks rolled aside. God takes away even the hardest stones hiding our hopes and expectations. Easter is the exodus to love and goodness.

"This is what Easter is: it is the exodus, the passage of human beings from slavery to sin and evil to the freedom of love and goodness. Because God is life, life alone, and we are his glory: the living man." (Easter message, March 31, 2013)

4. Easter brought radical news for all the world

"Easter is the event that brought radical news for every human being, for history and for the world: the triumph of life over death. It is the feast of reawakening and of rebirth. Let us allow our lives to be conquered and transformed by the Resurrection!" (Regina Caeli, April 6, 2015)

5. To celebrate Easter is to allow Jesus to triumph

"To celebrate Easter is to believe once more that God constantly breaks into our personal histories, challenging our "conventions," those fixed ways of thinking and acting that end up paralyzing us. To celebrate Easter is to allow Jesus to triumph over the craven fear that so often assails us and tries to bury every kind of hope." (Homily, March 31, 2018)

6. Easter sacraments renew our life and our relationships

"The grace contained in the Sacraments of Easter (Baptism and Communion) is an enormous potential for the renewal of our personal existence, of family life, of social relations. However, everything passes through the human heart. If I let myself be touched by the grace of the Risen Christ, if I let him change me in that aspect of mine which is not good, which can hurt me and others, I allow the victory of Christ to be affirmed in my life, to broaden its beneficial action." (Regina Caeli, April 1, 2013)

7. We are a people of hope

"Let us not quench the wavering flame (cf. Is 42:3) that never falters and let us allow hope to be rekindled." (Blessing to the City and the World, March 27, 2020)

Ordination to the Diaconate

Two young Japanese Jesuits, Francis Assisi Kōtarō Mori (森 晃太郎) and John Baptist Tetsurō Watanabe SJ (渡辺 徹郎) were ordained Deacons by the Archbishop of Tokyo, Tarcisius Isao Kikuchi, SVD. The ceremony was held on March 11 in St. Mary's Chapel, the first since pandemic restrictions were eased. Deacon Mori currently works for young people and promotion of vocations, while Deacon Watanabe assists at the Jesuit China Center in Tokyo. The date for their ordination to the priesthood is set for September 23. They will be part of the delegation who will attend the World Youth Day in Portugal.

Lenten Retreats

Fr. Horie, SJ

The Japanese community held their retreat March 21 in the Main Church with Fr. Silvester Setsurō Horie SJ (堀江 節郎) as Retreat Master. The theme was, "Entering into the wounds of the Lord so as to meet the pain of my brothers" (主のおん傷の中に入る、兄弟たちの痛みに出会うために). Many were present and many more viewed the retreat on YouTube: (<https://www.youtube.com/watch?v=Q44l-QBhi08&t=152s>).

The English Community held their retreat on April 2, Palm Sunday, in the St. Joseph Hall. It was conducted by Fr. Irinel Dobus, OFM Conventual. Receiving good feedback from the Yearend Retreat he gave the community last December, called "The Need for Happiness is the Need for God," he connected this Lenten retreat with the theme "I Thirst," While the first retreat dwelt on people's thirst for being loved and feeling joy in this life, the second presented God's thirst for his children and a dialogue between God and humanity.

Youth Activities: Sakura Day - A gift from God

By Kotoe Kuroda, SIIYM

On March 26, the rain had not stopped since the day before, so we had to move our Hanami Language Café* indoors. At two o'clock, our planned time, just a few participants were present, so it seemed like the day would be quiet. But as more and more people entered, the room became vibrant with conversations, in both Japanese and English. One participant said, "The Language Café is great because I get to meet different kinds of people, including new ones!"

After the 4:30 PM Mass, the sky was still gloomy, but we buttoned up and headed out for the Sakura Night Walk. ** Ikumi, the organizer of this event, kept us entertained with fun facts on the 2 km walk to Chidorigafuchi Park. There, we walked through a tunnel of flowers, and as we entered the illuminated area, we were enchanted by a magical feeling of flowers in various shades of pink. We were already excited, but the more we walked, the more awed we felt. All along the inner mote on one side was a white-looking curve of sakura, and closer to us was a curve of pink ones! Furthermore, there was a reflection of the flowers on the surface of the water! We could not help exclaiming "Waaa" and "Wow!" especially now that the sky was clearing up.

With clear weather and still few people, and with the full blooming sakura all around us, we were assured that God was with us and that this was a gift from Him! At the end of the walk, we were tired, but still we enjoyed talking to each other and could make it back to the station.

* Language café started online in February 2022 to practice conversation in different languages.

** Yotsuya Walk started in November 2022. We explore surrounding areas of St. Ignatius Church while exchanging and practicing languages.

Language Café and Yotsuya Walk are open to all young people who want to practice English or Japanese, including those who have never been to church before!

Wedding after the “lockdown”

With their permission, we share with you a wedding photo of a Japanese-Filipino couple. They took their Pre-Cana course with Sr. Flor Florece, F.I. almost two years ago. They wanted to be married in the Philippines soon after but, the pandemic made it impossible. Finally they had their Church Ceremony, March 9, 2023. Interestingly, the bride was a product of the St. Ignatius Japanese Sunday School. Here is hoping that other couples who took the Pre-Cana course during the pandemic times have already realized their dream wedding!

What to look forward to:

SPECIAL FEATURE

New Horizons!

I have had beautiful and meaningful memories of the John de Britto English Center--from the collaboration of the Coordinators (we started as four) to every little task to be carried out in the everyday life of the mission. It was actually a journey that spanned 8 years. First I was a volunteer and then a Coordinator.

After I left the Center, I was assigned to Youth Ministry in Bukidnon, Mindanao, Philippines for around a year. But now it is time to move on again. Our Mother General has assigned me to Venice, Italy, to minister to young people. Though sad that I would not be able to visit Japan before leaving for my new assignment in June, I hope we shall see each other again, in case you have the chance to go to Italy.

Thank you, dear beloved brothers and sisters in Christ in St. Ignatius Church. I will never forget our happy moments and challenging times in the John de Britto English Center. As for my SIYM family (St. Ignatius International Youth Ministry), thank you for all the trust, love, and support you have given me.

Please pray for me as I also keep you all in my prayers.

Sr. Leny Ferry, FdCC
Former Coordinator, John de Britto English Center

I am Jesselyn Buendia, a consecrated lay missionary from the Philippines. I belong to a community called Notre Dame de Vie Institute, a Secular Institute founded by Blessed Fr. Marie Eugene of the Child Jesus, a French Discalced Carmelite priest. I arrived in Japan two years ago (November 2020). During those two years, I studied full-time in a Japanese Language School and have been doing volunteer work on Sundays here in St. Ignatius Church, in particular, as a catechist for the Intermediate Group of the John de Britto English Sunday School.

In December last year, I finished my Japanese studies, and I am glad that now I can have more time to work in the Parish. It will be my first time to be a Coordinator in John de Britto English Center, but I have previously been a Campus Ministry Coordinator in a school, and I think that experience could be of help with what I will be doing from now on. I was also an active member in our parish since childhood, so I am also familiar with various parish activities.

Nonetheless, I know that I cannot boast of my past the experiences because I realize that the context of the mission in Japan is quite different from where I came from. In my country, the majority of the people are Christian, whereas here Christians are a minority. Also, my former parish is mostly attended by Filipinos, but now I am with people of different nationalities and cultures, and I think that will be the biggest challenge for me. Yes, it will be a challenge, but at the same time I am very happy because I will be of service to an international community!

As I begin my pastoral work here in the parish, I ask for your prayers and your help. Let us work together for God's greater glory!
